Director's Pen

October has come and gone as fast as the leaves changing colors. The month was quite busy. The children learned about Community Helpers and fire safety.

The highlights of the month were Creative Dress-Up Day and Pumpkin Patch on the playground. The children dressed as their favorite character and paraded around the playground. They had the opportunity to explore the inside and decorate the outside of a pumpkin. A great sensory activity for children of all ages.

November will be just as eventful. We will be celebrating Thanksgiving with our families on November 28, 2024.

Families, community members and QTLC staff play an important part in your child's development. These partnerships create a culture of high expectations and help guide their understanding the importance of community and giving back to the world they live in.

Each year QTLC partners with local shelters in the area in hopes of giving back whether it be stuffing bags, collecting coats or food drive.

This year is no different, please look for more details in the coming weeks.

Happy November to All!
